Re: Accepting applications and the addition of counties for behavior management services
Date: May 9, 2016

Effective May 9, 2016, the Bureau of Developmental Disabilities Services (BDDS) has notified Provider Services that the moratorium on the addition of behavior management providers and the addition of counties served by our existing behavior management providers has been lifted.

Any existing behavior management provider under Indiana's Home and Community Based Services (HCBS) Waiver that wishes to add counties at this time must submit a completed "Provider Request to Add Counties or Services," form. The form and additional information for providers wishing to apply to provide behavior services is available on the [BDDS New Provider Web page](#).

Please submit completed request forms to BDDSPROVIDER@fssa.IN.gov or mail the completed form to:
